

Shuswap District Retired Teachers

Vol V No 4; May, 2019

From The Prez:

I am pleased to report that the demise of our organization has been avoided, thanks to the public spirit of **Carol McAndrew**, who stepped forward at our **AGM** to take up the reins as **SDRTA** President.

Accordingly, this will be my last newsletter as I will be handing over the password of this site to **Carol**, to use as she may wish.

The newly-elected executive (pictured below) features **1st VP Patricia Clough**, **Secretary Dave Hadley**, and **President Carol McAndrew**. **Christine Bome**, another **Salmon Arm** native, joins our team as **Member-At-Large**. **Leslie Lowe** will also rejoin us as a **Member-At-Large**. **Jim Johnston** (**Treasurer**) and **Paul Bennett** (**2nd Vice President**) will be up for re-election next year.

I wish them all the best as I take my place as **Past President!**

A couple of thoughts as I depart:

- 1. Change in our executive is imperative;**
- 2. Price does not seem to determine attendance at an event;**
- 3. More information sessions combined with brunch are likely going to be popular; and,**
- 4. We must be careful which causes we champion to avoid alienating members...a case in point: *there was at one time a movement to declare Justin Trudeau an honorary member. Not all our members like him.***
