

Shuswap District Retired Teachers

Vol V No 3; May, 2019

From The Prez:

This will be a short but critical newsletter; it concerns the future of our organization.

As you have read, we struck a committee earlier this year to find potential executive members.

We are in desperate need of a President and 1st Vice President. Paul Bennett is content in his current role and will not be moving up. I must resign after four years as I have taken on a heavy commitment with Air Search and Rescue out of Kamloops.

To date, no members have stepped forward to volunteer for positions on our executive...not even as members at large!

Our organization cannot function without an active Executive – it is in danger of being forced to dissolve.

Our Annual General Meeting and election of officers will be held **Thursday, May 30 at 10 am** in the Downtown Activity Center.

If you wish our group to continue, please come to the meeting prepared to get involved. It would be an injustice to our retired members if our brunches and information meetings were to cease.

Please don't let this group fold.

--Larry

Larry Calvert, President
