

**“There is no such thing as a free lunch...”**

Well, maybe not.

Join the **Chilliwack Retired Teachers Association** for lunch and a meeting and we'll pay \$10 towards members' lunches.

Do you have a retired teacher friend who isn't a member? Bring her or him. If they sign up, they get the subsidised lunch too! And their first year of CRTA membership is free. What's not to like?

A speaker, Gloria Adams, will tell us about the resources available for seniors from the Chilliwack and District Senior Resources Society, which offers members help with income tax, access to housing support (SAFER and others), "snow angels" and trips to shows in Vancouver, casinos, farmers markets, baseball games and more.
