Please consider joining the British Columbia Retired Teachers Association (BCRTA) and our local (Retired Teacher Association). This organization is for all retired educators actively lobbying governments for the protection of your pension and other seniors' issues, information sessions, workshops, and great travel opportunities.

As a member, you will receive helpful publications: BCRTA's quarterly lifestyle magazine, PostScript, and CRRTA Newsletter. These publications provide updated information on our pension plan, our travel extended health care plans, articles from committees and members along with many items of interest.

You can also choose to receive BCRTA Connections by email. This brief and informative newsletter is published six times a year with current announcements, helpful information that often include tax tips and the latest exclusive opportunities from our travel partners.

One of the most significant benefits of the BCRTA is membership in the Members' Advantage Program. You will have access to Belaire Insurance plans, wonderful travel offers, discounts on retail products and services, and other benefits. The complete list of our partners is at bcрта.ca/members-advantage-program

Our local CRRTA group, meet informally for lunch, six times during the year. We enjoy lunch and at times invite a guest speaker. Members are asked to provide suggestions of what they are interested in hearing about. You are welcome to bring guests to any of our lunches. The lunches generally are organized from 11:30am-1:30pm. This includes, meet and greet, trivia, lunch, a brief branch update and guest speaker.

Hilary will email a poster with our lunch invites and speaker topics early each month. We meet on the third Thursday every second month at the Eagles Hall. The ladies auxiliary provide us with a variety of lunch menus. Their proceeds go directly to local charities.

We hope to greet you at Our 'No Bell Brunch'. Please RSVP to Hilary Hansen, Secretary. Your Complementary Ticket is included in your Welcome Envelope.
